OF ACADEMIC
EXCELLENCE

MUTHAYAMMAL EDUCATIONAL TRUST

Muthayammal Educational Trust was founded in the year 1984 by our beloved Founder and Former Chairman, Late. Thiru R.Ramasamy at Rasipuram Taluk, Namakkal District. The trust was named after his beloved mother, Late Tmt. R.Muthayammal with the objective of imparting technical education to rural and underprivileged youths in his native village.

Our founder Late Thiru. R. Ramasamy was a successful businessman in the field of Civil Engineering and his firm Jothi & Co., Chennai, was one of the most reputed names in Chennai Metro Water Board. He realized the need for education particularly technical education at his native village to uplift rural youths, and so he set up Muthayammal Polytechnic College.

Ranked as one of the top most polytechnic colleges in the state for the past 22 years, Muthayammal Educational Trust has educated more than 30000 students since its inception. He expanded the horizon in the field of education by setting up Muthayammal Memorial College of Arts & Science, and Muthayammal Industrial Training Institute, at Rasipuram. He also founded the M.R Matriculation Hr. Sec. School in Chennai in the year 1987 which is now educating more than 2000 students.

VISION

- To redefine the scope of higher education by infusing initiatives into each of our pursuits, that will encourage intellectual, emotional, social and spiritual growth within, thereby nurturing a generation of committed, knowledgeable and socially responsible citizens.

MISSION

- Ensure State of the world learning experience
- Espouse Value based Education
- Empower rural education
- Instill the spirit of entrepreneurship and enterprising
- Create a resource pool of socially responsible global citizens.

MOTTO

- Rural Upliftment through Technical Education.

QUALITY POLICY

- To seek, to strive, to achieve and to evolve to a greater helm in engineering, technological and management education without compromising on the quality of education.

Thiru R. Ramasamy,
Founder, MET

FOUNDER'S MESSAGE

The quality of education given determines the destiny of a nation. Education is not just a process of imbibing knowledge for a future job, but, a lifelong process which creates an understanding of moral and ethical values to guide one's life. Quality education is the dream of every society. I welcome and appreciate the efforts of the Principal, Staff, and Students of MET for creating an environment to achieve, national and international recognition in providing quality education.

Our college has emerged as a discipline - centric institution to the entire rural based pupils. Our organization is committed to provide our students with quality technical education along with ethical and moral values which will groom them to be a responsible citizen for the future.

I wish you success as you work towards your future.

Thiru R. Premkumar, M. A., M.Phil.,
Chairman, MET

CHAIRMAN'S MESSAGE

The secret of success, the source of strength, the spring of power are all born out of and sustained by knowledge. Know and realize that you alone are the master of your destiny and the captain of your soul. Be brave, be bold. Nothing is impossible. As Napoleon the great once said, "Impossible is a word that is not found in my dictionary". No obstacle is insurmountable.

Once your mind is made up and you stand firm as a rock, no one can stop you from gaining your goal and growing yourself to success. Do not hesitate; do not rest until it is done.

COURSES OFFERED:

POLYTECHNIC

- ▶ Civil Engineering
- ▶ Mechanical Engineering
- ▶ Automobile Engineering
- ▶ Electrical & Electronics Engineering
- ▶ Electronics & Communication Engineering
- ▶ Computer Engineering
- ▶ Information Technology
- ▶ Mechatronics Engineering

MUTHAYAMMAL POLYTECHNIC COLLEGE

Department of Civil Engineering

The department of Civil Engineering was established in 1984. "Civil Engineers" are in demand in global vital infrastructure projects like construction, transportation, water and power supply.

Department of Mechanical Engineering

The department of Mechanical Engineering was established in 1984. "Mechanical Engineers" are always in demand and in almost every industry. Right from building pins to planes, a mechanical engineer's job is invaluable.

Department of Automobile Engineering

The Department of Automobile Engineering was established in the year 2000. "Automobile Engineers" are in demand at all manufacturing plants to design, run / maintain, test and improve automobiles.

Department of Electrical and Electronics Engineering

The Department of EEE was established in the year 1984. Indian Railways, Armed Forces, Thermal and Nuclear Power Corporation, The Shipping Corporation of India and TNEB, offer promising career growth for "Electrical Engineers".

Department of Electronics and Communication Engineering

The department of ECE was initiated during the year 1996. "Electronics and Communication Engineers" envision the future of technological advancements in the ECE field. Electronics and communication are the axle in which today's world revolves. This growing importance has ensured a positive career path for ECE aspirants.

Department of Computer Engineering

The Department of Computer Engineering was established in the year 1994. Computer Engineering is one of the most flourishing and its demand is expanding across all fields. Eligible candidates land up in reputed companies with a good career growth as this field entwines with numerous specializations and creates various career paths for its aspirants.

Department of Information Technology

The Department of Information Technology was established in 2001. Information Technology has emerged as the game changer that has altered the way the world functions. Today there is no field without the intervention of IT.

Department of Mechatronics Engineering

The Department of Mechatronics engineering was established in the year 2021. It is a multidisciplinary field that refers to the skill sets needed in the contemporary, advanced automated manufacturing industry. At the intersection of mechanics, electronics, and computing, mechatronics specialists create simpler, smarter systems.

MUTHAYAMMAL MEMORIAL COLLEGE OF ARTS & SCIENCE

Department of Tamil

The department of Tamil was formed in the year 2014 to construct the cultural history of Tamil language. The Tamil forum called "Muthayammal Ninaivu Valarpirai Tamil Mandram" was inaugurated in the year 2014

Department of Economics

The Department was established in the year 2020. It is the study or principles of the way money, business and industry are organized.

Department of BBA

Bachelor of Business Administration or BBA is one of the most popular bachelor degree programs after class XII. The BBA course is the gateway to numerous job opportunities in a plethora of sectors like Marketing, Education, Finance, Sales, & Government, to name just a few.

Department of English

The Department of English was established in the year 2014 with U.G. Programme and PG programme in the year 2018. The department organizes lectures and seminars by eminent literary scholars and teachers in order to usher in modern and innovative thinking in the field of language and literature.

Department of Commerce

The Department of Commerce with B.Com & B.Com (CA) was started in the year 2014 -15. M.Com was introduced in the year 2017-2018. The Department aims at maintaining academic excellence and equipping students with the skills necessary to face the challenges of the business world.

Department of Mathematics

The Department of Mathematics was established in the year 2014 with U.G. Programme and PG programme in the year 2017. Mathematics plays an important role in the context of globalization of Indian economy, modern technology, and computer science and information technology.

Department of Physics

Started with only undergraduate course in 2014, the department started its post graduate course in the year 2017. Job opportunities as a scientist exist with organizations like BARC, ISRO, DRDO, VSSC, SSPL and many other well-established research centres in India as well as abroad.

Department of Chemistry

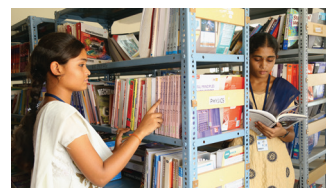

The department of chemistry was established in the year 2014 with U.G Programme and PG Programme in the year 2022. Chemistry allows you to develop excellent laboratory skills, but because it overlaps with specialization, it also provides skills useful in other areas of science such as physics, medicine, and engineering fields.

Department of Botany

The department started its undergraduate (B.Sc Botany) course in the academic year 2020-2021. The knowledge of basic science is essential for student to make sustainable development and face upcoming societal change.

Department of Computer Science

The Department of Computer Science is a unique center established in 2014. It offers a 3 year B.Sc. (Computer Science) Programme. In 2017, the department was modified as Department of Computer Science & Applications and it offers a 3 year BCA (Bachelor of Computer Applications) Programme and 2 year M.Sc. (Computer Science) Programme.
